Report on the Working of Municipalities in the North-West Frontier Province for the year 1940-41

1. The number of Municipal and Notified Area Committees in the Province was the same as last year, viz., seven Municipal and seven Notified Area Committees. The total number of members of Municipal Committees decreased from 57 during the year 1939-40 to 48 in the year under report, owing to the suspension of the Haripur Municipal Committee under Section 238 of the Municipal Act. The affairs of this Committee had been giving anxiety to Government in the past and the measures to improve its administration were obstructed with such persistence that there was no alternative but to resort to the extreme measure of supersession. The Committees of Abbottabad and Bannu continued to remain under suspension.

2. Owing to the proposed establishment of a joint electorate with reservation of seats for minorities in Local Bodies, Government decided to defer elections until further orders. The lives of Committees as their terms expired were accordingly extended by a further period of one year or till the decision of the general election question, whichever was earlier.

3. The total income of Municipal Committees rose from Rs. 17,06,703 during the previous year to Rs. 18,28,902 in the year under report. The increase of Rs. 1,22,000 occurs in all the Municipalities except Mardan and was chiefly due to increased octroi revenue, for the following reasons :—

(a) Increase in the prices of articles taxable adva lorem.

(b) Vigilance and more supervision by the Octroi Staff.

The Committees deserve to be congratulated for this increase. A sum of Rs. 24,000 was given by Government to the Peshawar Municipal Committee for the expansion of free and compulsory primary education in that Municipality.

4. The total expenditure during the year under report was Rs. 18,08,796, as against Rs. 17,36,909 in 1939-40. The net increase of about Rs. 72,000 is due to :—

(a) Opening of eight new M. B. Primary Schools in Peshawar .. Rs. 36,577.

(b) Construction of building for Hindi Gunter Girls School at Bannu .. Rs. 23,278

(c) Purchase of Defence Bonds by the Municipal Committee, Bannu .. Rs. 35,000

5. The working of the Notified Area Committees is reported to have been satisfactory. The statement below exhibits their financial position :—

Name of Notified area Committee		Opening balance on the 1st April 1940	Income	Total	Expenditure	Closing balance on the 31st March 1941	Investments
		Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Nowshera Kalan	..	9,916	24,722	34,638	22,799	11,839	14,000
Baffa	..	3,527	8,820	12,347	8,517	3,830	7,000
Nawanshehr	..	3,943	13,340	17,283	10,528	6,755	5,253
Galis	..	6,626	7,024	13,650	11,887	1,763	15,000
Lakki	..	22,483	21,922	44,405	21,664	22,741	..
Tank	..	3,823	59,941	63,764	59,941	3,823	10,352
Kulachi	..	6,252	15,201	21,453	18,937	2,516	1,000
Total	..	56,570	1,50,970	2,07,540	1,54,273	53,267	50,253

The total expenditure exceeds the income by Rs. 3,300. Expenditure incurred by the Galis and Kulachi Notified Area Committees exceeded their income. This is due to the reconstruction of old shops in the Galis Notified Area and the pavement of a large portion of the bazzar in Kulachi Notified Area with pakka bricks. Other Notified Area Committees were well within their means.

6. The percentage of total income spent by each Municipal Committee under the main heads are noted in the table below :—

Names of Municipal Committees		General Department	Education	Medical	Public Health	Water Supply	Veterinary Department	Municipal Works
Peshawar	..	28·5	14·4	14·8	19·6	6·2	·5	5·8
Mardan	..	37·5	12·6	29·6	16·9	..	1·6	17·3
Abbottabad	..	27·3	15·3	10·1	15·7	9·5	1·3	4·5
Haripur	..	30·7	22·8	17·3	12·2	2·2	..	3·7
Kohat	..	29·8	17·5	19·3	16·0	4·0	1·4	3·0
Bannu	..	42·0	26·5	17·5	20·7	2·5	·9	5·7
Dera Ismail Khan		44·1	14·7	16·7	16·7	1·4	·4	4·2

The high percentages of expenditure under heads "General Departments" by the Bannu and Dera Ismail Khan Municipal Committees and under head "Medical" by the Hoti-Mardan Municipal Committee, are due to —

(1) Purchase of Defence Bonds for Rs. 35,000 by the Bannu Municipal Committee.

(2) Payment of annual Bund Loan instalment of Rs. 40,000 to Government by the Dera Ismail Khan Municipal Committee ;

(3) Expenditure of Rs. 26,748 by the Hoti-Mardan Municipal Committee towards the construction and equipment of the new Cunningham Hospital at Mardan.

7. Incidence of taxation per head of population of Municipal Committees is as under :—

Serial No.	Name of Municipality	Rs. a. p.
1	Peshawar	3 5 9
2	Hoti-Mardan	2 13 8
3	Abbottabad	6 3 2
4	Haripur	3 9 7
5	Kohat	3 6 5
6	Bannu	5 8 8
7	Dera Ismail Khan	3 10 11

The figure for Abbottabad is based on the winter population of the place and hence is not really correct, as in summer the population is greatly increased.

All the above figures have been worked out according to the population figures ascertained during the recent Census of 1941, which have largely risen since the previous Census (1931).

8. The following schemes of public improvement were undertaken during the year under report :—

(1) The building of the Railway Out Agency at Abbottabad situated opposite the Municipal gardens and in front of the Municipal Office was an eye-sore to the public. The Administrator, Abbottabad Municipalty, shifted the Railway Out Agency to the District Board Sarai and demolished the Agency building thereby improving the environments of Municipal Office and gardens.

(2) The Administrator, Haripur Municipalty, has removed many encroachments, some of which were of very old standing.

(3) A grant-in-aid of Rs. 2,000 given by Government to Abbottabad Municipality was spent on the improvement of drainage in that town.

(4) Eight new Municipal Board Primary Schools were opened under the free compulsory primary education scheme in various parts of Peshawar City.

(5) A much needed scheme for laying a new pipe line to the Gorkhatri for improving the water supply in Peshawar City has been started by the Public Works Department and the work is in progress.

(6) About 30 houses have been built on modern lines in the Peshawar City extension area. It is hoped that more buildings will soon be erected.

(7) A scheme for the creation of pleasure garden opposite the Fort has been undertaken by the Municipal Committee, Peshawar.

(8) The new building for the Hindi Gunter Girls School, Bannu, which was undertaken by the Bannu Municipal Committee last year has been completed and was occupied with effect from October 1940.

9. A number of improvements are long over-due in most Municipalities, but cannot at present be financed. This is largely because elected members of Municipal Committees are reluctant to lose popularity by increasing taxation. It is the policy of Government in any case that during the war large schemes which require labour, technical skill and building materials, should not be undertaken. Opportunity should be taken for these schemes of the post-war period when ample labour and materials are likely to be released.

10. The lives of all Committees which have not been superseded, have now been extended. The effect is not healthy as members feel their position secure and hence need make no particular effort, while critics feel that the prospect of replacing them is hopeless. The disadvantages of elections as compared with nomination continue to be felt. Questions of public importance are studied from the point of view of popularity with the electors or of injuring the opposite party in the Committee. Control by an Administrator where the Committee has been superseded is proving both efficient and popular.
